AN OPEN LETTER OF APPRECIATION
TO ALL ADVERTISERS, COLLABORATORS,
AND SUNDRY PERSONS AND ORGAN-
IZATIONS WHOSE EFFORTS MADE THE
1950-51 WILDCAT POSSIBLE:

The production of this year's annual was a process of blood, sweat, tears, much tearing of hair, sleepless nights, and a combination of minor and major miracles. To our advertisers, who made production possible, many thanks! To the Baker-Ray Studio, who made many of the fine portraits appearing herein, many thanks! To Mr. Carl Williams and to R. B. Covington, who gave freely of equipment and personal resources, many thanks! For advice and assistance, gratitude is extended to Mr. Walter Richter and the Steck Company of Austin. For allowing the staff free use of her office as a general storage and junk pile, appreciation is given to Miss Stoddard. And, to those whom we fail to mention here, but should -- and the list is a formidable one -- thanks, no end!
